

Life Molecular Imaging GmbH is the German based Research & Development (R&D) organization of Life Molecular Imaging S.A. Switzerland, a wholly owned subsidiary of Alliance Medical Group Limited. Our vision is to build our position as an innovator and leading player in the Molecular Imaging field. We aim to create value for patients & physicians by improving early detection and characterization of chronic and life-threatening diseases leading to better therapeutic outcomes and improved quality of life. For our international finance team, we are looking to recruit for the following full-time position in Berlin, Germany:

Accountant Accounts receivable/ Accounts payable (m/w/d)

Main Tasks & Responsibilities:

- Accounts receivable day to day management.
- Accounts payable day to day management.
- Monitoring of cash transactions and dispositions of all national and international bank accounts of the Group in euros and foreign currencies.
- Administration and reporting in accordance with financing agreements.
- Management of bank accounts, commercial authorizations, and the administration of e-banking systems.
- Participate in the development of a liquidity planning and cash forecast process.
- Develop the treasury function with cash pooling, IC billing, currency management and corporate financing.
- Participate in the annual planning process regarding the finance plan.
- Participate in the development of a risk management toolkit and implement a risk reporting framework.
- Develop a treasury management system for the further digitalization of treasury processes in close cooperation with the entire finance department
- Process accounts and incoming payments in compliance with financial policies and procedures

Experience & Skills:

- Successfully completed degree in business administration with a focus on accounting and finance or a comparable degree.
- Several years of experience in accounting.
- In-depth knowledge of German commercial law (HGB) and international accounting standards (IFRS).
- Application-specific MS Office knowledge as well as knowledge of SAP is an advantage.
- Excellent communication skills and a detailed way of working round off your profile.
- Flexibility, commitment and service orientation.
- Good written and oral English and German language skills
- Driven by self-development and growth.

Benefits:

- Flexible working times.
- Working in a young and dynamic team.
- Remuneration matching the job requirements.
- Participate in the company bonus program.
- Possibility for partial home office.
